CAINE 2016 Call for Papers

29th International Conference on
Computer Applications in Industry and Engineering

September 26–28, 2016, Marriott Tech Center, Denver, Colorado, USA
Sponsored by the International Society for Computers and Their Applications (ISCA)

In conjunction with
25th International Conference on Software Engineering and Data Engineering (SEDE 2016)

Proceedings will be submitted to Scopus, EI, INSPEC, and DBLP for indexing, and public accessible via SearchDL.org (CAINE 2015 papers can be accessed at http://searchdl.org/index.php/conference/conferenceList/68)

The 29th International Conference on Computer Applications in Industry and Engineering (CAINE 2016) provides an international forum for presentation and discussion of research on computer applications in industry and engineering. The conference also includes a **Best Paper Award**. CAINE 2016 will feature contributed papers as well as workshops and special sessions. Papers will be accepted into oral presentation sessions. The topics will include, but are not limited to, the following areas:

Agent-based Systems	Human-Computer Interface
Autonomous Systems	Image/Signal Processing
Big Data Analytics	Information Assurance
Bioinformatics, Biomedical Systems/Engineering	Information Systems/Databases
Computer-Aided Design/Manufacturing	Internet and Web-based Systems
Computer Architecture/VLSI	Knowledge-based Systems
Computer Modeling/Simulation	Mobile Computing
Computer Security	Multimedia Applications
Computers in Education	Neural Networks
Computers in Healthcare	Pattern Recognition
Computer Networks	Robotics
Control Systems	Sensor Networks
Data Mining	Scientific Computing
Distributed Systems	Software Engineering/CASE
Embedded Systems	Visualization
Fuzzy Logic and Rough Set	Wireless Networks and Communication

Instructions for Authors

Papers will be accepted only by electronic submission in PDF format. Please include author's full name(s), address, affiliation, e-mail address, telephone number and topic area. More information can be found at the conference website

http://www.caine-conf.org/2016

or the ISCA website: http://www.isca-hq.org/ISCAconf.html.

All submissions must be uploaded through this web site by **July 10, 2016**:

https://www.easychair.org/conferences/?conf=caine2016

The submitted manuscript should closely reflect the final paper as it will appear in the proceedings, which will be a maximum of 6 pages (+2 pages with additional page fees) in ISCA format. (See http://www.isca-hq.org/sample-isca-manuscript-format.pdf). After the conference, you may submit an extended version of your paper for possible publication in the ISCA journal.
